LOW RISK OBSTETRICS

Please refer to LOW RISK OBSTETRIC OPTIONS & REFERRAL INFORMATION available on www.calgaryfamilymedicine.ca

This directory will be distributed three times per year.

This directory encourages referrals between Family Physicians for expert advice and intervention in clinical areas of interest. The Department of Family Medicine does not in its publication endorse any particular physician or make any representation as to technical standards aside from affirming that members of the Department maintain CME accreditation in accordance with those required for certification by the College of Family Physicians of Canada.
